LUXURY DESIGNER FANS
— SINCE 2012 —

Add Art to your Ceiling!

Look out for these features!

BLDC MOTOR

Fanzart's BLDC motor fans consume 70% less power compared to conventional AC motor fans.

SUMMER-WINTER

Fanzart's unique SW feature enables bi-directional rotation.

MULTICOLOUR LED

You can switch between warm light, daylight and white light with just a touch of a button.

DIMMER

This distinctive feature allows you to set the perfect ambience according to your mood by increasing or decreasing intensity of the LED light.

MOOD LIGHTING

Mood lighting helps to create an atmosphere within an area and is often softer lighting that helps to enhance the space.

CUSTOMIZATION

Fanzart fans can be Customized into colours of your choice.

360° ROTATION

These models can be adjusted to oscillate at 60°, 90°, 180° and rotate at 360°.

3D OSCILLATION

Fanzart's pedestal collection with its unique 3D oscillation feature provides you with an extraordinary breeze.

WHISPER QUIET

Fanzart's biggest USP is the whisper-quiet feature in its fans. With less than 38dB, you get to experience pin-drop silence.

ECO FEATURE

ECO feature that enables it to smartly adapt its speed based on the room temperature.
